July 31, 2019

Dear Lea Families,

Congratulations on the completion of a successful fourth grade year! We are looking forward to working with you during the 2019-2020 school year as your child enters fifth grade. This year, your child will receive specialized instruction from both of our fifth grade team members. Students will remain with their designated homeroom teacher for their writing period.

English Language Arts and Science:

Hello! My name is Mrs. Coyne and I am the English Language Arts (ELA) and science teacher for Fifth Grade. This upcoming school year marks my eleventh year teaching at Lea and I am looking forward to yet another year of positive academic, social and emotional growth for all students. This year we will work hard to shape students as critical thinkers and writers. I will also serve as your student's homeroom teacher in Room 212. If you have any questions or would like to contact me please do so via email at [LDeedmeyer@philasd.org](mailto:LDeedmeyer@philasd.org).

Math and Social Studies:

Hello! I would like to take this time to welcome you back to Lea. My name is Ms. Green and I will be teaching fifth grade math and social studies classes. I have been teaching at Lea for the past 19 years and look forward to another successful year. I fully anticipate a year full of fun and excitement, for both you and your child(ren) as we watch them grow academically and socially.

Again, welcome to fifth grade! We can't wait to meet you and are looking forward to a fantastic school year. Have a safe and fun summer and we will see you on September 3<sup>rd</sup>.

Educationally yours,

Mrs. Coyne and Ms. Green
