Additionally, **all students will bring their computers to school each day.** We will continue to use technology to collaborate and learn! Students will be able to use computers at home as well to complete assignments and use educational resources. Our Kindergartners will receive their computers within the first month of school.

It is also recommended that **all students bring bottles to school for water** as we will be using hydration stations and not drinking fountains to reduce the chances of Covid spread.

We will be giving away supplies at our Open House event on September 3rd as well as other educational prizes.

Please let us know if you have any questions by calling 215-400-7660 or emailing our secretary at dbaxter@philasd.org.

Thank you and take care,
